

THE OHIO VALLEY CAMERA CLUB

July 1984
Editor: Mark Hamilton

Meetings: 7:30p.m., 2nd and 4th Friday of
each month. Huntington Galleries

Many Thanks

Due to scheduling conflict at the Galleries, our June print meeting was abruptly moved to Huntington Federal. We owe many thanks to several club members who donated their time in contacting our membership to give directions. We also extend our thanks to Mr. Don Howland who provided us with a meeting room with so short of a notice.

July Program

The July program was presented by Mr. Don Howland. The theme of this very educational program was how the photographer can manipulate the print by dodging, burning and cropping the print to produce award winning prints from not-so-perfect negatives. The information and knowledge gained from this program will help to improve everyone's photographs. Many thanks to Don for the large amount of time spent in preparing this program.

NEW MEMBER

We would like to welcome Robert Winslow as a new member in our club. Mr. Winslow is owner and operator of Winslow Photo at downtown Huntington. Before coming to our area he was a representative of Ilford in the western area of the U.S. and is considered an expert in the Cibachrome copy process. We look forward to having Mr. Winslow participate in our fellowship and programs.
