[Show Me How](#)

Competition: 2009-06-16 - Projected images

Competition Type: Projected images
Competition Level: Advanced

Maximum pixel width for images: 1024
Maximum pixel height for images: 768
Note: The Image Resolution (pixels per inch or centimeter) does not matter and is never used. If you submit an image larger than the maximum dimensions allowed, the image will be re-sized down to the maximum allowed. This is done using high quality bicubic interpolation, but you have more options for this process if you do it in Photoshop or a similar program.

Submissions will be automatically converted to an sRGB profile when displayed on this website. The Image Competition Manager program properly handles imbeded profiles.

You have entered 0 images into this competition.

[Add Images from previous uploads](#)

STEP 7, Uploading your image.

	Add New Image
Image Type	<input type="text" value="Digital"/>
Title (Required)	<p>Note: Titles are unrelated to file names and should not contain the Author's name or any competition identifiers. Titles cannot exceed 2000 characters in length.</p> <input type="text"/> <input type="button" value="Check Spelling"/>
Owner Image Id	<p>Use this optional field to identify this image within your own collection.</p> <input type="text"/>
Wildlife	<p>Check this box if this image qualifies as a "Genuine Wildlife" image as defined in any special competition that uses this designation. This is generally considered a subcategory of a Nature competition.</p> <p><input type="checkbox"/> Genuine Wildlife Image <input checked="" type="checkbox"/> Allow submission to any parent competition</p>
Image	<p>Upload an Image File.</p> <p>Please use the "Browse" button to locate your file. Keying in a path will not work properly on some browsers. Your file will not be uploaded until you click the "Add This Image" button below.</p> <p>A maximum size has generally been specified for most images. If you exceed the maximum size allowed, your upload time will be unnecessarily long and your image will be resized after the upload completes.</p> <input type="text"/> <input type="button" value="Browse..."/> Upload Status: <input type="text"/> <input type="button" value="Cancel"/> <input type="button" value="Add This Image"/>
	<p>If you have requested the upload of an image it may take some time to transfer the image to the server. You will see an acknowledgement when the transfer and update is complete.</p>

STEP 8 – Verifying the image and uploading more images.
