The OVCC group met on March 13th, 2008. There were eleven members present.

At the meeting the membership voted to change the second meeting of each month to a Friday night. This change will take effect with the second meeting in April, which will be Friday, April 25. The first meeting of each month remains on Thursday nights. Ten members voted for the change and one voted against it. The purpose of the change is to help attract new members who have conflicts with our Thursday meeting nights. We need get this information out to the media and let other groups such as the Tri State Art Association know in case there are members who would be interested in joining the OVCC.

Jeff Bryson brought to the floor a motion to have our second photo outing to be held on April 18th, 19th, and 20th with a trip to Hocking Hills <http://www.hockinghills.com>. The plan is to share rides and to leave Huntington after work on Friday April 18th, and to return on Sunday April 20th. Details are still being worked out.

The meeting included a photo competition with the subject "LOVE". There were 15 entries. Images which have been submitted for web posting may be viewed here.
