Mike Adkins is in the process of putting together a brochure about the club. Brochures can be handed out at other events to promote our Camera Club and can also be added to the club's website for viewing and download. Mike plans on having the members review the brochure before printing is done.

Mike Adkins suggested the club have a cookout on one of the program nights in the near future. He will work on the details and update the members via email.

Discussion was held concerning the Friday night meeting dates. Considerable attendance drop-off has been noticed for the two times it has been on Friday night since the change. Ideas were discussed to help improve attendance. One suggestion was to move back to Thursday nights for both meetings and another was to move from 2<sup>nd</sup> and 4<sup>th</sup> Thursdays to 1<sup>st</sup> and 3<sup>rd</sup> Thursdays to avoid conflicts with other art type meetings. Mike Adkins will check on the availability of the Studio and further discussion will take place at our next meeting.

Discussion was held on the possibility of having competitions on both meeting nights each month. Members felt strongly that one night should be for presentations and learning demonstrations and the other meeting night for competition.

Our next meeting will be Friday, June 27, 2008. David Fatellah is scheduled for the presentation. More details will follow on the website about the presentation.
