Minutes

Officers:

Michael Adkins, President  
Jeff Bryson, Vice President  
Herb Parsons, Treasurer  
Fred Huff, Secretary

**Summation**

Fifteen members were in attendance.

The club's photo exhibition is now on display at the Federal courthouse in Charleston, WV through the end of September. If you go to view it, be aware that security at the building will require you to surrender any cameras, including cell phones with cameras. Mike Adkins is looking for a location in Huntington where the exhibition may be moved after September.

A color brochure to promote the club is being prepared. Members present at tonight's meeting agreed to allow the use of their photos from last year's competitions. A draft will be provided the membership for approval. We plan to have the brochure completed and printed in time for the next Art in the Park show. OVCC will have an information booth at this show.

Members who wish to have an embroidered shirt commemorating the club's 50<sup>th</sup> Anniversary year should bring a T-shirt or polo shirt of their choice and \$7.50/shirt to the first club meeting in October (the 2<sup>nd</sup>). The Jackson's will arrange for the embroidery work.

Mike Adkins wants copies each member's winning images from 2008 on CD at the next meeting. He plans to create a book outlining the club's photography for the year.

It was agreed that our Annual Banquet should be held at Twin Silos Golf Club. Mike will contact them to reserve a date and get pricing.

Our next meeting will be on Thursday, September 18. Jeff Bryson will give a presentation on macro-photography. Members can participate in the program by bringing an empty Pringles can and an extra body cap for their cameras.

### **Photo Competition Results**

There were 25 prints entered into tonight's competition. The theme was "Rural Land."
