Minutes

We had 17 in attendance at our meeting.

Chris Hatten from the Huntington Museum of Art came to accept the *Bernice Abbott* book set the Club donated to the Museum in memory of Willis Cook.

Herb Parsons, our Treasurer, reported we have \$1247.36 in our account.

Committee updates were given:

- Mark Hamilton, Chair of Membership and Publicity, had no news to report on membership. Mark reported that projected images are being tested and a process for members to upload their images is also being worked on. Mike Hensley also brought in some bumper stickers he had made up for members to use to advertise the Club if they choose to do so.
- Fred Huff, Chair of Exhibition and Contest, reported that the latest list of photo competitions he sent out in the email has not changed. Pat McKee announced the 2nd Annual Scott Kelby Photo Walk which takes place on July 18. This is a worldwide walk. Mark Hamilton was asked to sign the Club up and send out details to the members.
- Rick Jackson, Chair of Program and Activities, reported that the activities of the Club were going strong this year. There have already been several photo walks locally and several outings of further distance. The latest outing to Mike Adkins' cabin in the Canaan Valley was enjoyed by 6 members. Rick and Connie Jackson, Kathy and Tyson Smith, Mike Hensley, and Mike Adkins all had a great time.

All the Committee Chairs would like to have help on their committees. Contact Mark, Fred or Rick if you are interested.

Kathy Smith is still working with the printers to get the business cards printed for Club members. Hopefully the cards will be available at the next meeting. A misprint by the printer caused the cards to have to be reprinted this past week.

Our next meeting is June 4. We will have OPEN competition.

Mike Hensley announced there would be a firefighter drill on swift water rescue on June 6 and 7. Contact Mike for more details.

Mike Hensley gave a presentation on HDRI Photography.

Mike Adkins would like to create a virtual library of photography books members have and are willing to lend to other members to read. More info on this later.
