

Ohio Valley Camera Club of West Virginia

April 21, 2011
Minutes

We had 19 members in attendance at the meeting.

Coffee House was open with several members attending.

Final payments are due for the Three River Avian Center outing. Please contact Joe Browning if you still need to pay.

Also, if you have not paid your OVCC dues, end of April is the cut off date. Kathy has sent several reminders, if not paid you will not be receiving club emails.

Tyson and Kathy Smith will be moving soon, due to Tyson's receiving a new job. Last night was Tyson's last meeting. Kathy will be staying until school is finished for their daughter. We are sad to see them go! Both have served on the board, and have helped in moving the club forward. Kathy has performed many tasks and has been everyone's "go to person". Thanks to both of them!

Rick Jackson (and Connie) presented a power point presentation on Flora Photography. Rick showed several examples of how to use window lighting and inexpensive ways to macro/flora shots.

Photo Challenge—Entry due midnight Tues May 17th. All images will be shown the night of the projected images. This is for fun/learning experience. No points will be awarded.

Next meeting is May 5, 2011. Print image competition. Theme Flora.

21 images were entered for Print Competition.

Critiqued the images and announced the winners:
